

# Community

**SUNDAY MARCH 1, 2015 1:30-4:30 pm**  
**JOHANNA PERRIN MIDDLE SCHOOL**

FACET (Fairport-Area Community Education Trust) is a support organization for K-12 education in Fairport. Our goal is to galvanize community resources (time, talent and treasure) for the benefit of education by providing opportunities for all segments of Fairport to actively engage in public education. To that end, we are holding our first major fundraiser, the *Community Spelling Bee*, which will gather businesses, community organizations, neighborhood groups, government representatives and educators together to support and celebrate the tremendous atmosphere of whole-child learning in our schools.

Please consider whether your business or organization could *enter a team OR sponsor* a school-based team! The Community Spelling Bee features:

- A collaborative Spelling Bee (team members collaborate on and reveal spelling response as a team, no solo time at a microphone!)
- A new and fun team-building event for your employees or members: check out this video at [www.youtube.com/watch?v=Oh\\_HLefeHDK](http://www.youtube.com/watch?v=Oh_HLefeHDK) to see a similar event
- As a business, a chance to show your customers and employees who live and work in Fairport your support for local education efforts
- A GEM (Genuine Education Matters!) Showcase of what is happening in Fairport's K-12 schools, including student displays and exhibits
- Light refreshments for sale and a 50/50 raffle

Visit [www.fairportfacet.org](http://www.fairportfacet.org) for registration details. Thanks for helping FACET  
*Impact all facets of a Fairport Education!*
